

Tregolls Academy

Autumn 2 - Week 6

Head of School Message

This is final newsletter of 2025. What a Year it has been. Christmas is almost upon us. We had a wonderful Christmas lunch, thank you to the catering team for arranging this. It was lovely to see the Christmas Jumper selection yesterday and I can't wait to watch the performances next week. Thank you for those who have booked tickets, it helps us to know how many are attending and if we have extra space.

Our sporting successes have continued over the past two weeks with our gymnastics team coming second and sixth. An incredible achievement considering they are two years younger than some of the competitors. Our basketballers are the sixth best in the County and finally our football team are top of the league following an 8-2 victory over Shortlanesend School. They also came joint third in a National qualifying competition today.

A reminder that next Friday we finish at 1:30pm. There is no wrap around on this day so please ensure that you have made arrangements to collect your child.

Finally, next week we say goodbye to the wonderful Mrs Badcock. She has been a part of Tregolls for 43 years teaching grandparents, parents, children and grandchildren! Her kindness, patience and compassion for the children in the community are unrivalled. Her final day with us will be Thursday 18th December.

Have a lovely weekend,
Mr Rees

NHS

CHICKENPOX	At least 5 days from the onset of the rash and until all blisters have crusted over.
DIARRHOEA AND VOMITING	48 hours after their last episode.
HIGH TEMPERATURE	If your child has a high temperature, keep them off school until it goes away.
IMPETIGO	Their sores have crusted and healed, or 48 hours after they started antibiotics.

NO

CONJUNCTIVITIS	You don't need to keep your child away from school if they have conjunctivitis. Do get advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.
COUGHS & COLDS	It's fine to send your child to school with a minor cough or common cold.
HAND, FOOT & MOUTH	If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly.
HEAD LICE	There's no need to keep your child off school. You can treat head lice and nits without seeing your GP.
THREADWORMS	Speak to your pharmacist, who can recommend treatment.
SORE THROAT TONSILLITIS	You can still send your child to school if they have a sore throat. But if they also have a high temperature, they should stay at home until it goes away.
SLAPPED CHEEK	You don't need to keep your child off school if they have slapped cheek syndrome because, once the rash appears, they're no longer infectious.
