## Autumn 2 - Week 5

### Head of School Message

A very wet week in school, with the rain relentlessly pouring down, this has meant that the children have had to spend more time in classes. We have noticed that we could do with a restocking of wet play games. If you have any old boardgames at home that you are looking to rehome, please bring them to the office and we will make use of them through the wintery months.

This week our wonderful gymnastics team headed to Richard Lander to take place in a competition. The girls were excellent role models and performed brilliantly. We are still waiting for the results but will share them with you as soon as we hear! This morning we were very lucky to have Polwhele House School perform a fencing demonstration, we are hoping to link up with them to give the children another next experience.

There has been some confusion this week over the meat on offer for the Christmas Dinner, we apologise for any confusion. To confirm, the school offer both Halal meat and a non Halal meat. This is the case with all meat meals served in the kitchen. Next week we have our Christmas Dinner day on the Wednesday and Christmas Jumper day on the Thursday.

Finally next Tuesday 9<sup>th</sup> December Godrevy house have a dress to impress for being the Autumn term 1 house winners.

Have a lovely weekend,  
Mr Rees

a reception class for

### Attending a nursery or pre-school

You will need to apply even if your child attends a school's nursery or pre-school class. Please note that if a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.

# IS MY CHILD TOO ILL FOR SCHOOL?

*yes*

*until...*

**NHS**

<b>CHICKENPOX</b>	At least 5 days from the onset of the rash and until all blisters have crusted over.
<b>DIARRHOEA AND VOMITING</b>	48 hours after their last episode.
<b>HIGH TEMPERATURE</b>	If your child has a high temperature, keep them off school until it goes away.
<b>IMPETIGO</b>	Their sores have crusted and healed, or 48 hours after they started antibiotics.
<b>MEASLES</b>	4 days after the rash first appeared.
<b>MUMPS</b>	5 days after their swelling started.
<b>SCABIES</b>	They've had their first treatment.
<b>SCARLET FEVER</b>	24 hours after they started taking antibiotics.
<b>WHOOPIING COUGH</b>	48 hours after they started taking antibiotics.

*NO*

<b>CONJUNCTIVITIS</b>	You don't need to keep your child away from school if they have conjunctivitis. Do get advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.
<b>COUGHS &amp; COLDS</b>	It's fine to send your child to school with a minor cough or common cold.
<b>HAND, FOOT &amp; MOUTH</b>	If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly.
<b>HEAD LICE</b>	There's no need to keep your child off school. You can treat head lice and nits without seeing your GP.
<b>THREADWORMS</b>	Speak to your pharmacist, who can recommend treatment.
<b>SORE THROAT TONSILLITIS</b>	You can still send your child to school if they have a sore throat. But if they also have a high temperature, they should stay at home until it goes away.
<b>SLAPPED CHEEK</b>	You don't need to keep your child off school if they have slapped cheek syndrome because, once the rash appears, they're no longer infectious.
