

Tregolls Academy

Spring 1 - Week 4

Head of School Message

Well, the answer to last weeks question of 'Will it ever stop raining?' is No! Despite the continual rain, there have been so many positives. Looking at our school Facebook page, there continues to be some incredible work going on across the school. From the Science explorations in Year 2, the poetry Art in Year 5 to the smoothy making in Year 1. We are continuing to ensure that our offer for the children on Tregolls is better than any other school in Truro.

I want to say a huge well done to our Year 6 pupils who have been working their way through their mock SATs this week. Their progress has been amazing but the maturity in how they have coped with the tests and handled them has been a pleasure to see.

We have now started taking 2 year old children in our nursery. I strongly believe that building the strong foundations are essential to children having the strong start needed for school life. If there are any families looking for spaces for this age, please contact the school for more information.

Have a lovely weekend,
Mr Rees
