

Tregolls Academy

Summer 1 - Week 3

Head of School Message

Another week and another wonderful set of learning has taken place across the school. Our Year 4 and 5 pupils worked with members of the Aspire Academy Trust to complete the Little Lifesavers course. During the session they learnt about CPR, how to help someone who is choking and how to put someone into the recovery position. These are essential skills and part of our wider school offer for children.

Today our Year 5 children have taken part in a wonderful Victorian Workshop, designed to provide them with hands on activities to really get to know what life was like during the Victorian era and how pivotal some of the developments were.

Next week our wonderful Year 6 pupils take their Key Stage 2 exams. We are so proud of how hard they have worked. They have done everything they need to be ready. They don't define who you are. They are a point in time that show how much you have learnt throughout your time at Primary School. Rest, relax and spend time enjoying your weekend.

Best wishes, Mr Rees
